Book Synopsis

Baby Designed by God pulls the blinders off and informs any parent who dares to know the truth about natural, God-given methods of pregnancy, birthing and raising healthy children. Baby Designed by God is a book that will empower and enlighten mothers and fathers from all backgrounds and belief systems that our bodies were wonderfully and magnificently made and have the ability to heal and be whole from the inside-out. Through revealing and dramatic birth stories that are intertwined throughout the book, including both of Dr. Amanda's homebirths, it will increase the reader's knowledge, perspective and faith on the subject of hospital and home birthing options, raising drug-free children and natural pregnancy.
